## RESOLUTION NO. 2012-02

**A RESOLUTION** of the Kitsap Regional Coordinating Council identifying Element G of the Kitsap Countywide Planning Policies as requiring amendment during the next update cycle during 2014 concurrent with adoption of countywide population distribution.

WHEREAS, Kitsap County and three (3) of its Cities have adopted Countywide Planning Policies (CPP's), and this document contains Element G that outlines an evaluation framework to coordinate the local siting of an EPF to mitigate potential adverse impacts from the location and development of an EPF; and

WHEREAS, Element G of the CPPs contains language for the local evaluation and siting of an EPF and during the 2011 CPP update, only a minor amendment was made to this Element; and

WHEREAS, in 2010 the Washington Administrative Code (WAC) was revised relating to EPFs; and

WHEREAS, WAC 365-196-550(3)(d) provides that if an EPF and its location have been evaluated through a state or regional siting process, the county or city may not require the facility to go through the local siting process; and

WHEREAS, Element G of the CPPs appears to subject all EPF to the local siting process, even where those facilities have already gone through a state or regional siting process, which is contrary to WAC 365-196-550(3)(d); and

WHEREAS, the Kitsap Regional Coordinating Council (KRCC) finds that, as currently drafted, the CPP Element G does not reflect WA State regulations and needs to be revised to reflect all WA State regulations related to EPF; ***NOW THEREFORE***

***THE KITSAP REGIONAL COORDINATING COUNCIL OF KITSAP COUNTY, WASHINGTON, DOES HEREBY RESOLVE AS FOLLOWS:***

**Section 1:** The findings set forth in the above recitals are hereby adopted by reference.

**Section 2:** During the next update to the Kitsap Countywide Planning Policies during 2014 and concurrent with adoption of countywide population distribution, Element G shall be amended to reflect the 2010 updates to the WAC, specifically Section 365-196-550(3)(d) .

**Section 3:** *Effective Date:* This Resolution shall take effect and be in force immediately upon its passage.

Passed this 7<sup>th</sup> day of February, 2012.
