

Kitsap Regional Coordinating Council

2008 - 2010 Countywide Description Summary ~ County

| Lead Agency | Project Name | Area Served | Brief Description of Project |
|-------------------|--------------------------------|---|--|
| Kitsap County | Waaga Way Extension * | Silverdale Metropolitan Center | Extension of Waaga Way from Clear Creek to Frontier. Construction of this new road section consists of 4/5 lanes plus non-motorized bike lanes and sidewalks, sewers, and utilities. The project supports the development of a major county commercial/industrial site. |
| Kitsap Transit | Newberry Hill Park & Ride | Silverdale Metropolitan Center | Design and develop a full service park and ride lot at the Newberry Hill/ Dickey Road area. |
| Kitsap Transit | Harper Park & Ride | South Kitsap | Expand the Harper Church Park and Ride for the Southworth walk-on ferry commuters. The lot would be designed with Low Impact Development techniques; and ultimately prepared and well-positioned for future funding of the construction phase by state or federal sources. |
| Kitsap Transit | Bremerton A-Float | <i>Never received information from Kitsap Transit on this project</i> | |
| Port of Bremerton | SKIA County Arterial – Phase I | South Kitsap Industrial Area | This economic development and jobs focused project will consist of engineering and design of a segment of the SR3 to Lake Flora Rd. Cross-SKIA connector beginning at SR3 to a mid-point between SR3 and Old Clifton. |

* Project submitted for PSRC Regional funds.
