Do communities want a change?

# Key Elements for Success

- Community leadership and input
- Goals and guiding principles
- Ordinance or resolution adoption
- Land use and transportation plans
- Accommodate all transportation modes
- Planner, designer, and developer training
- Design manual
- Process for design variance approval

# Examples of Transportation Project in Local Communities

# Mountlake Terrace - Before

# Mountlake Terrace - After

# Newcastle - Before

# Newcastle – Before with Traffic

# Newcastle - After

# Duvall - Before

# Duvall - After

# Duvall – Bike Parking

# Duvall – People Friendly

# Kenmore - Before

# Kenmore - After

# Port Townsend - Before

# Port Townsend - After

# Communities Need a Vision!
