

The Kitsap Regional Coordinating Council's Transportation Policy Committee:

- Provides recommendations for regional transportation policy for endorsement by the full Kitsap Regional Coordinating Council Board, in the areas of:
 - Countywide transportation system priorities
 - Countywide transportation legislative priorities
 - Countywide Transportation Planning Policies
 - Policy implications of regional service issues, e.g. which ferry route gets late night service; input to development of WSDOT's 20 year project list
- Addresses the integrated transportation system throughout Kitsap County and its links to the larger Puget Sound region, including:

○ Highways and freight mobility	○ Marine transportation
○ Transit	○ Bicycle and pedestrian facilities
○ Rail	○ Air
