KRCC Adopted Legislative Priorities: 2012 *November 22, 2011*

We anticipate a volatile 2012 Legislative Session, focused on cutting programs that provide critical services to citizens and local governments. We have identified 5 core principles that define our priorities. Solutions may surprise us.

- Make the GMA Work.
 - Local governments need tools to foster complete UGA annexations.
 - Local governments need Comprehensive Plan certainty.
- Grow Local Jobs.
 - We need options to fund economic development and tourism-promoting organizations.
 - We need SKIA incentives to attract businesses.
 - We need to remain a highly-educated citizenry to attract high quality businesses and jobs.
- Move Our Community.
 - It is critical that we support key investments in our local highways and ferries.
 - A statewide funding proposal should provide for local roads and transit as well as WSDOT.
- Re-size Local Government.
 - We need options to regionalize some services (criminal justice, public works, parks, etc.)
 - We need funding mechanisms so that voters can choose a benefit level they deem appropriate.
- Protect Our Public Safety Net.
 - Children and their education
 - Public & community health services
 - Homelessness that continues to rise.
