## KRCC Annual Retreat 2019 Agenda

v.10-17-19

Date: October 25, 2019 Time: 10:00 a.m. - 4:00 p.m.

Place: Island Lake Community Center - 1087 Northwest Island Lake Road, Poulsbo, WA,

98370 United States

10:00 Convene  Welcome and Introductions Agenda overview Review of Goals for the day Discuss Ground rules  10:15 Kitsap County growth retrospective Presentation: Overview of growth trends, 2018 draft Kitsap CPP Vision Statement (20 min) (presentation to be shared at the KRCC Board Retreat) Facilitated discussion (55 min) Does the presentation line up with your experience of growth in Kitsap County? What lessons learned could be carried forward into the future? How do the indicators inform the direction for future growth?  Break and Lunch (catered box lunches will be provided for those who RSVP'd)  12:30 Looking to the future Set up: Lego mapping exercise Presentation: PSRC VISION 2050 Growth projections and growth scenarios, indicators, and measures; instructions for exercise (30 min) Small groups: working in small groups distribute projected population and employment growth while considering the following: (60 min) What challenges do you face in allocating growth? What past trends are you trying to change, if any, and what goals are you trying to achieve? What impacts/challenges remain with your allocation? What additional information or discussion is needed in the growth allocation process? Whole group facilitated discussion (60 min) Based on what you heard in the discussion, would you make any changes to your maps? Whole group reconvene (10 min) Share any map revisions and explain rationale  Summary and Wrap Up Conclusions Have goals been met? Next steps and Connecting to the Big Picture and Future Decisions Public Comment Adjourn	Start	Agenda item
Welcome and Introductions Agenda overview Review of Goals for the day Discuss Ground rules  10:15 Kitsap County growth retrospective Presentation: Overview of growth trends, 2018 draft Kitsap CPP Vision Statement (20 min) (presentation to be shared at the KRCC Board Retreat) Facilitated discussion (55 min) Does the presentation line up with your experience of growth in Kitsap County? What have been the benefits and challenges of this growth? What lessons learned could be carried forward into the future? How do the indicators inform the direction for future growth?  11:30 Break and Lunch (catered box lunches will be provided for those who RSVP'd) Looking to the future Set up: Lego mapping exercise Presentation: PSRC VISION 2050 Growth projections and growth scenarios, indicators, and measures; instructions for exercise (30 min) Small groups: working in small groups distribute projected population and employment growth while considering the following: (60 min) What challenges do you face in allocating growth?
