Federal Funding - Call to action!

- **The public can participate in FCC Mapping efforts**

- FCC speed test map
 - Defines state funding!
- **FCC map released on Nov 18**
- **Challenge period ends January 13, 2023**

- **How can the public help?**

- FCC mapping will be made available to public to check address-level locations and broadband availability
- Individual users can access map and submit information to FCC if map doesn't represent a user's location or listed broadband availability
- **Get the word out to Washington residents!**
