

Poulsbo's 2023 Legislative Priorities

- Reform Blake so we can charge misdemeanor crimes to induce people to get into drug treatment.
- Reform pursuit laws so police can apprehend safely and efficiently.
- Support the Poulsbo Event and Recreational Facility: a partnership with Olympic College and Western Washington University. Develop a college, community recreational facility that will provide space for educational and recreational events.
- Additional funding for the 305 Corridor to improve safety and address accelerating cost factors.
- Support the reformation and reconstruction of an abandoned grocery store to create an educational center for medical support services: a training center for nursing, medical, pharmaceutical personnel.
