A. WELCOME AND OLD BUSINESS

Sophie Glass, KRCC Program Lead, welcomed participants to the KRCC Transportation Policy Committee (TransPOL) virtual meeting (see Attachment A for a list of TransPOL members and observers). The October 20, 2022 TransPOL meeting summary was approved without abstention or opposition. Sophie reviewed the agenda, topics of discussion, and purpose of the meeting.

B. CROSS-JURISDICTIONAL TRANSPORTATION ISSUES

TransPOL members reviewed areas of interest TransTAC identified at their February meeting, including information and resources regarding jurisdiction updates to Comprehensive Plans and building codes, updates to policies and criteria for the Countywide Competition, interjurisdictional projects for the 2024 competition, monitoring the regional safety plan for differences in data between the region and Kitsap, PSRC Safety and Equity definitions, the WSDOT Highways for Complete Streets requirement, and opportunities for funding as a result of rebalancing.

Steffani Lillie, Kitsap Transit, shared an update on the PSRC Project Delivery Working Group. There is an emergency funding measure to increase funding in the Transportation Improvement Plan (TIP) to ensure funds are not returned to the Federal Highway Administration (FHWA).

TransPOL also received an update on the rebalancing process underway at PSRC. Regional projects requesting extensions create gaps in funding that need to be filled. TransTAC convened a special meeting in early March to identify any projects from the contingency list from the 2022 competition that could move forward for funding. The Project Delivery Working Group is also exploring the option of going back to prior contingency lists for projects that are ready for delivery.

TransPOL members discussed the proposed areas of interest. TransPOL supported the goal to identify interjurisdictional projects for future competitions to fill additional metrics. The City of Bremerton shared plans to partner with the Port of Bremerton for improvements on Airport Way, and Poulsbo is interested in partnering with Kitsap County on improvements projects.

TransPOL members also agreed that understanding safety and equity definitions will lead to additional conversations about project selection.

C. TRANSPORTATION POLICY BOARD AND PSRC UPDATES

TransPOL members shared updates on the Transportation Policy Board and other PSRC updates. The bill to protect public works trust fund dollars did not advance in the legislative session. Bills 1050 and 5726 (apprenticeship utilization and prevailing wage) are still alive but may face challenges.

Recent updates from PSRC included recommendations on the earned share for transit, which advanced to the Executive Board for approval. PSRC also developed a report to distribute transit dollars to vulnerable and underserved populations.

D. CORRIDOR UPDATES

- SR 104: A workgroup meeting may be scheduled.
- SR 307: No updates at this time.
- SR 305: A groundbreaking for the roundabout is scheduled for May 6. WDFW is bifurcating the fish passage work along the corridor.
- Gorst Coalition: Funding for Gorst and the Belfair freight corridor may be pushed off by a few years. Commissioner Strakeljahn testified in March.

Other updates:

- Several corridors are looking into speed enforcement cameras to reduce accidents and make the corridors safer and slower.
- Kitsap County's automated traffic management system will be complete at the end of 2024. They are requesting continued funding for uniform personnel to do the tally system.
- The City of Bremerton is working with Naval Base Kitsap, the federal delegation, and Puget Sound Naval Shipyard to set up communication systems early for projects.

E. ANNOUNCEMENTS AND NEXT STEPS

The City of Bremerton shared appreciation for the Kitsap County Department of Human Services. The City of Bremerton also shared a reminder to register for the upcoming summit on electric vehicles hosted in partnership with Kitsap Transit and Puget Sound Energy.

The Port of Bremerton will be hosting a ribbon cutting for the new diner in April.

The next TransPOL meeting will be on March 16, 2023.

The meeting ended at 4:00 p.m.

KRCC TransTAC and TransPOL Feedback on the 2022 Regional and Countywide Competitions

2022 Regional and Countywide Competition Debrief

On 9/8/2022, TransTAC members debriefed the Regional and Countywide Transportation competitions (summarized below).

	Approach/Process Leading Up to Competitions	Outcomes of Competitions
Strengths	<ul style="list-style-type: none"> • The sequencing of TransTAC, TransPOL, and Board meetings went well. • The project presentations were strong and received positive feedback from elected officials. • There were some advantages to the virtual Project Selection Workshop (e.g. it could end early, people didn't need to travel, etc.). • TransTAC had good dialogues leading into presentations • Triangle provided good facilitation during the Project Selection Workshop. 	<ul style="list-style-type: none"> • Ranking projects in advance of the Project Selection Workshop made it much easier to prioritize projects during the workshop. • There was general satisfaction with outcomes of both the Countywide and Regional Competitions.
Weaknesses	<ul style="list-style-type: none"> • The Regional and Countywide Competition application questions were slightly different. This made it difficult to use responses from one application in the other, creating extra work. • Due to scheduling challenges, there were a few quick turnarounds to meet deadlines. • Meeting virtually as a result of COVID precautions prevented some of the informal connections and conversations of in-person meetings. • It was good to share high-level information about the potential projects early in the process, but TransTAC members were expected to prematurely share details with each other and with TransPOL. • Some TransTAC members did not receive PDF versions of their applications after submitting them to PSRC. 	<ul style="list-style-type: none"> • PSRC gives exact deadlines for the Regional Competition a little late in the process, which makes it hard to plan out the Countywide Competition.

On 9/3/2022, TransTAC members discussed the following next steps:

- Develop a calendar that reflects the actual timing of the Countywide Competition and its associated components.
- Compare Regional and Countywide Competition questions and adapt the Countywide Competition questions to more closely align with the Regional Competition questions
- PSRC should provide advance notice to TransTAC regarding PSRC Board-level decisions on allocating new funding (contingency lists vs. a new competition).

KRCC TransTAC and TransPOL Feedback on the 2022 Regional and Countywide Competitions

On 10/22/2022, TransPOL members discussed the process and outcomes of the 2022 Federal Transportation Competition to note highlights or lessons learned

- Sophie shared reflections from the September TransTAC meeting in September. TransTAC thought the ability to work through tight timelines and the option to adjust meeting schedules and timelines were strengths of the process. TransTAC also felt satisfied with the outcome of the project selection workshop. Many TransTAC members preferred meeting in person compared to virtual meetings.
- TransPOL members reflected on the 2022 Transportation Competition and appreciated the collegial nature of the competition and the collaboration of staff to produce quality projects and recommendations to TransPOL. TransPOL members also thought that the virtual meeting format was useful to share presentations.
